5050 LUMILED CHIP SET

All of the latest LED technology combined to deliver the highest performance high tennis court lighter on the market. Lumiled 5050 LEDs are the standard in high performing LEDs. The chipset allows for a large and efficient optical package that optimizes light control and distribution. The system is offered with standard 20kV surge and a large body pure aluminum heat management system. The NightShine Grand will provide superior light play for decades to come.

- Full service and full maintenance support
- Rugged and simple “one-person install” system
- Built & supported in the Alpharetta, GA
- Tier 1 performance
